

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY UNA
HIMACHAL PRADESH

PLACEMENT BROCHURE 2026 27

ABOUT
IIIT UNA

- IIIT Una is one of the 20 IIITs being set up, funded and managed by the Ministry of Education, Govt. of India under the Public-Private Partnership (PPP) model.

- Students are admitted through JoSAA based on their JEE (Main) ranks.

- The institute provides students with a strong foundation in technical knowledge, problem-solving, and practical skills.

Our Vision

To build a vibrant, multicultural learning environment rooted in value-based education, academic excellence, and innovation, empowering students to contribute effectively and responsibly to the national and global community.

Our Mission

- To provide **quality, industry-oriented education** with practical exposure.
- To foster **industry and research collaborations** that create real-world opportunities.
- To nurture **skilled, ethical, and future-ready professionals**.

Our Motto

विद्या सर्वत्र गौरवः
Vidya Sarvatra Gauravaḥ
Knowledge, excellence, and character earn respect everywhere.

How to Reach IIIT Una

FROM THE CHAIRPERSON'S DESK

“At the Indian Institute of Information Technology Una, we are dedicated to fostering academic excellence, innovation, and a culture of integrity. Our students are equipped with strong technical foundations, critical thinking abilities, and the adaptability required to thrive in an ever-evolving technological landscape.

I commend the Career Development Cell for its commitment to preparing students for successful professional journeys. I warmly invite our recruiting partners to engage with the talented students of IIIT Una and join us in building meaningful careers and lasting collaborations.”

SMT. KAVITA KHANNA
(CHAIRPERSON, BOARD OF GOVERNORS)

FROM THE DIRECTOR'S DESK

“IIIT Una was established in the academic year 2014–15 and was declared an Institute of National Importance under the PPP model through an Act of Parliament in 2017. The Institute equips its students with industry-relevant knowledge through a modern curriculum, state-of-the-art laboratories, and advanced computing facilities.

To strengthen practical learning, every student undergoes a full-semester internship in reputed industries, gaining valuable exposure to real-world challenges and best industry practices.

I warmly invite you to partner with IIIT Una and build a long-term association in nurturing skilled professionals who will contribute to technological advancement and innovation.”

PROF. MANISH GAUR
(DIRECTOR, IIIT UNA)

FROM THE CAREER DEVELOPMENT CELL'S DESK

The primary goal of CDC is to support students throughout their journey, from acquiring essential job skills to securing employment.

“At the Career Development Cell, we believe that placements are not just about jobs, but about launching careers with purpose and potential. Our students are trained not only in technical excellence but also in adaptability, communication, and integrity, the qualities we know employers value most. It is with great pride and confidence that we welcome recruiters to explore the energy, innovation, and commitment that define our students. We look forward to building lasting partnerships with recruiters to create opportunities that drive mutual growth and success.”

DR. NAMAN GARG
(FACULTY-IN-CHARGE, CAREER DEVELOPMENT CELL)

PROGRAMS OFFERED

Undergraduate Courses

- B.Tech - Computer Science and Engineering
- B.Tech - Computer Science and Engineering with Data Science
- B.Tech - Computer Science and Engineering with Cyber Security
- B.Tech - Electronics and Communication Engineering
- B.Tech - Information Technology

Postgraduate Courses

- M.Tech - Computer Science and Engineering
- M.Tech - Microelectronics and VLSI Design
- M.Tech (Executive) - AI/ML
- M.Sc. - Mathematics and Computing
- Ph.D - School of Computing
- Ph.D - School of Electronics
- Ph.D - School of Basic Sciences

ACADEMIC HIGHLIGHTS

CURRICULUM

Great emphasis is laid on core fundamentals and concepts in class. Industry ready curriculum updated after taking the feedback from Industry Experts

ELECTIVES AND AUDIT COURSES

In order to boost interest in other areas of technology, the students can take up electives and/or audit courses from departments other than their core area of specialisation.

PROJECTS

It is mandatory for all B.Tech and M.Tech students to take up projects under the supervision of the faculty. These comprise the basic development of application oriented research projects.

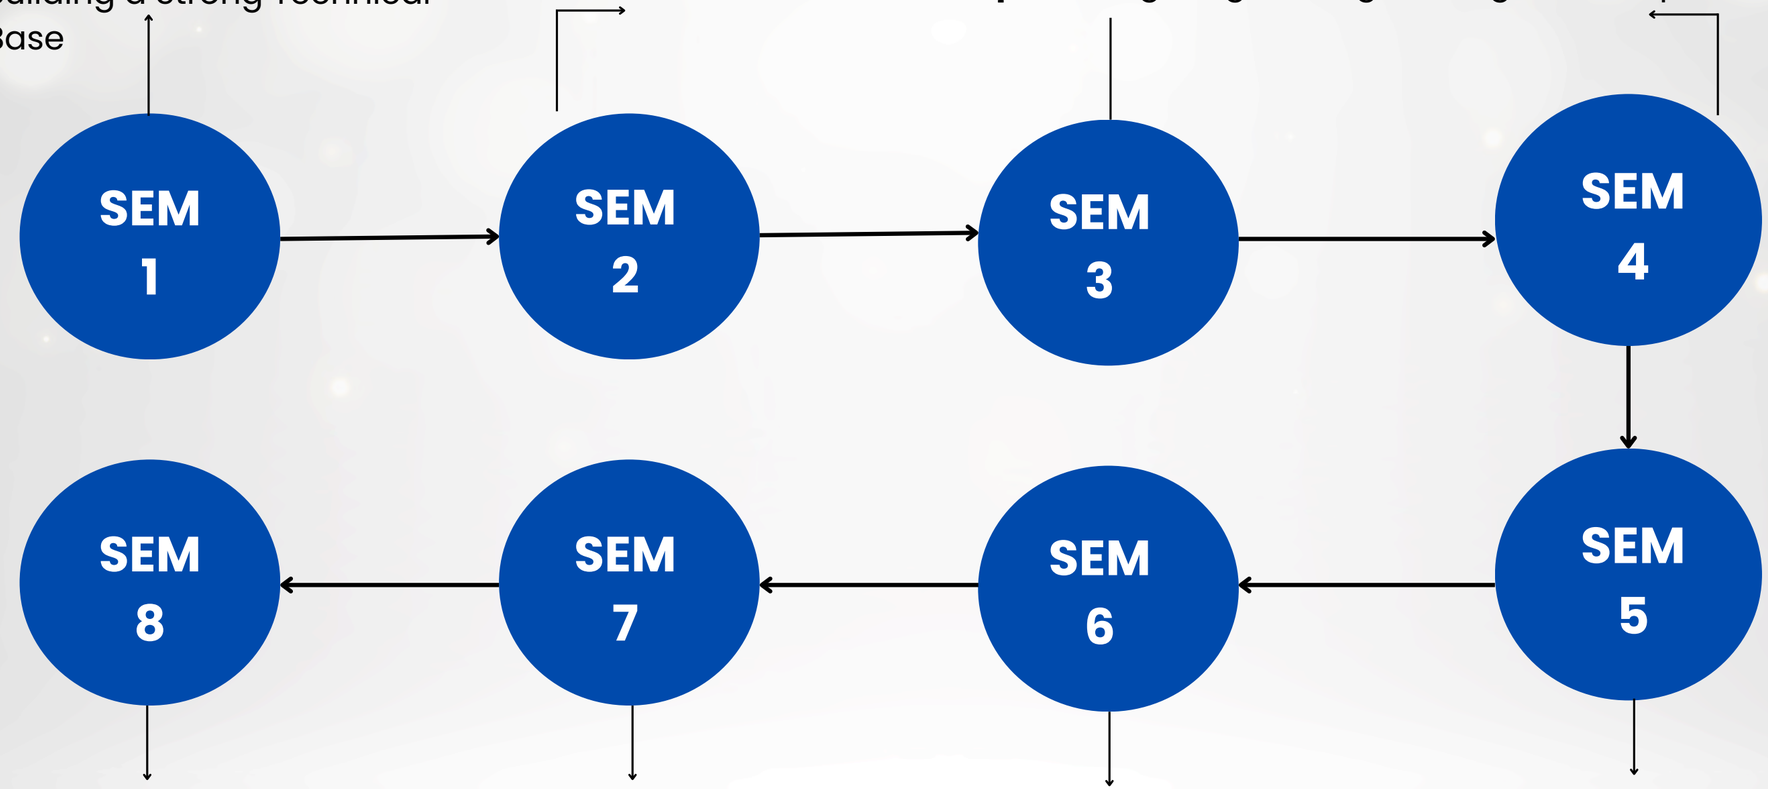

FULL SEMESTER INTERNSHIP

Students enrolled in B.Tech programmes of any discipline are required to undergo a mandatory 6-month internship during their VIII Semester to gain industry experience alongside the start of their placement season.

ACADEMIC JOURNEY OF UNDERGRADUATES

- **Exploring the Basics:** Your Journey Begins Here
- **Foundation for Excellence:** Building a Strong Technical Base

- **Diving Deeper:** Expanding Your Technical Horizons
- **Hands-On Experience:** Bridging Theory and Practice
- **Advanced Concepts:** Navigating the Engineering Landscape

- **Specialization Unveiled:** Focus on Your Interests
- **Electives and Choices:** Tailoring Your Expertise

- **Full Sem. Projects:** Showcasing Your Skills
- **Preparation for the Future:** Career and Beyond

- **Final Stretch:** Ready for Employment.
- **Upskilling and Target Career Preparation**

- **Internship**
- **Research and Development**

WHY RECRUIT FROM IIIT UNA?

STRONG TECHNICAL FOUNDATION

Our curriculum focuses on cutting-edge technologies, supported by active coding cultures (**ICPC Regionalists, GSoC contributors**, and **Hackathon winners**). Students keep honing their skills on websites like **Codeforces, LeetCode** and **CodeChef**.

INDUSTRY READINESS

Mandatory industrial training prepares students for real-world engineering.
Our students have secured internships and full-time roles at: **Amazon, Microsoft, Google, LinkedIn, NVIDIA, Zscaler, ZS Associates, and Wayground.**

AMONG THE NATION'S BEST

The students of B.Tech are admitted through JEE Main and represent the **top 3%** of the candidates who appear for the exam nationwide.
They possess exceptional **analytical** and **problem-solving** skills. Learning alongside an equally talented peer group creates a stimulating environment that encourages excellence and innovation.

STUDENT ACHIEVEMENTS

2x ICPC Asia West Finalists.
2 teams each year in **ICPC Regionals**

SMART INDIA HACKATHON
6 National Finalists
18+ National Semi-Finalists

GSoC
7x qualified

CODEFORCES

CAREER DEVELOPMENT CELL

About CDC

The primary goal of CDC is to foster comprehensive development. CDC supports students throughout their journey, from acquiring essential job skills to securing employment.

Industry Connect

We aim to build lasting relationships with businesses and industries by engaging in various collaborative activities.

Skill Building & Professional Development

We offer a wide range of professional development activities, including soft skills training, debates, panel discussions, mock interviews, coding tests, project demonstrations, and workshops on innovation and design thinking.

CDC INFRASTRUCTURE

INTERVIEW ROOMS

Multiple dedicated interview rooms for one-on-one and panel interviews.
Quiet, professional environment ensuring seamless recruitment processes.

CONNECTIVITY

High-speed campus Wi-Fi connectivity.
LAN-enabled interview rooms with uninterrupted internet access.

PRE-PLACEMENT TALKS

Seminar hall for pre-placement talks, guest lectures, and industry interaction sessions.
Equipped for presentations and large student gatherings.

FACILITIES

Comfortable, air-conditioned rooms designated specifically for group discussions and screening interviews.

CDC INFRASTRUCTURE

CDC Labs

Air-Conditioned Pre-Placement Talk Halls

Expert Sessions to Bridge Industry-Academia Gap

	TITLE	EXPERT DETAILS
1	**Career enrichment session Amex**	Mr. Sachin Gulati , Head of India Campus Recruitment American Express
2	**Leveraging new technologies: A case study on ASUS**	Mr. Arnold Su, Vice President, Business Group, ASUS India
3	**Understand Nano Technology...**	Prof. Paul Joseph, Principal, Office of Commercialization, Georgia Tech, Atlanta
4	**Industry Connect | IndiaMART InterMESH Limited**	Mr. Rehan Atiqulla, Senior Product Manager
5	**Future Of Generative Ai...**	Mr. Rajiv Singh, CTO, Sopra Steria,India

Job Celebrations

Session by Prof. Jeffrey D. Ullman

CDC EVENTS
MOCK ICPC

- A 5-hour-long coding competition
- 8–10 competitive programming problems of varying difficulty levels
- Enhance student's problem-solving abilities
- Foster a spirit of healthy competition

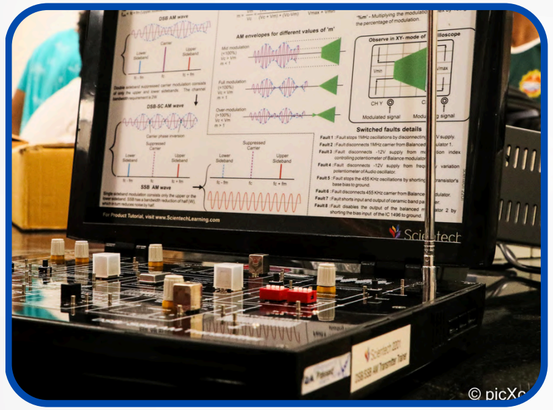

The CDC also conducts regular workshops on Competitive Programming, Machine Learning, and other cutting-edge technical domains, helping students stay ahead in both academics and industry trends.

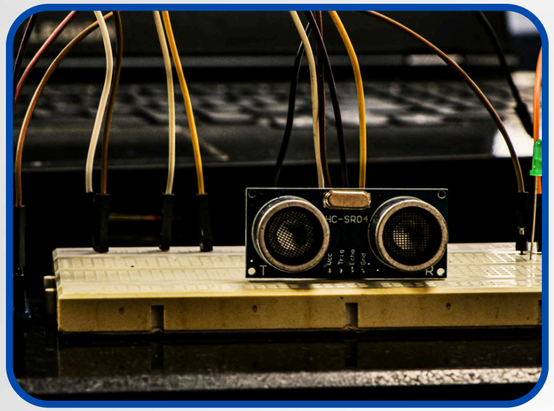

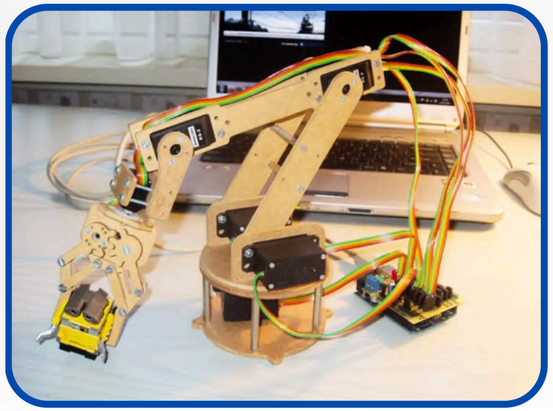

IIIT Una - Mock ICPC

PROJECT SHOWCASE **EVENTS**

- DonateSmart – A decentralised system for genuine and authentic fundraising
- Robo Arm
- HealthChecker
- Summify: Simplified Document Summarization using Generative AI

- AskMate IIIT Una - College Enquiry Chatbot
- Blockchain-based e-voting system
- Detection of Microbial Colonies using image processing.
- Multiple disease prediction system for rural health services

FEST & COLLEGE LIFE

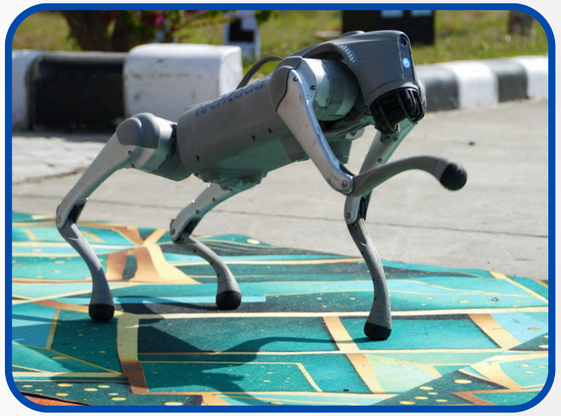

YALGAAR

MERAKI

An annual cultural fest held at IIIT UNA with many events like student dance, singing, DJ night and ending with Star Night.

MRIDANG

IIIT Una's premier yearly sports fest, showcasing competitive spirit across various disciplines, including basketball, cricket, and chess.

YALGAAR

The annual tech fest held at IIIT Una every year featuring many tech events like Robo Race, Prog-o-Thon and many more with great prizes.

MERAKI

MRIDANG 2025

INDUSTRY CONNECT

IIIT Una takes a significant step forward with the signing of an MoU with Zscaler to set up a Centre of Excellence.

ZSCALER

Zscaler, Inc. is an American cloud security company, with headquarters in San Jose, California.

ESTABLISHMENT OF CENTRE OF EXCELLENCE (COE) IN AI AND CLOUD COMPUTING

A Centre of excellence will be established in AI and Cloud Computing
To work on the latest technologies.
To develop socially and industry relevant solutions.

Other Key MoUs

- IIT ROPAR
- IIT MANDI
- CSIR-CSIO Chandigarh
- AIIMS BILASPUR
- IIT KANPUR
- NIT PATNA
- GARUDA AEROSPACE
- NATIONAL INSTITUTE OF TECHNICAL TEACHERS TRAINING AND RESEARCH (NITTTR), CHANDIGARH
- MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

2nd International Conference on Integrated Circuits, Communication, and Computing Systems (ICIC3S-2026) was organized by IIIT Una

The conference brought together leading researchers, engineers, and scientists in the field of interest from around the world.

RECRUITER FACILITIES

TRAVEL ASSISTANCE

Travel assistance for recruiters visiting the campus via Chandigarh or Delhi.

GUEST HOUSE

Well-furnished guest house for recruiters. Comfortable accommodation with dining facilities. Wi-Fi-enabled luxury suites and 24×7 assistance.

SIGHTSEEING

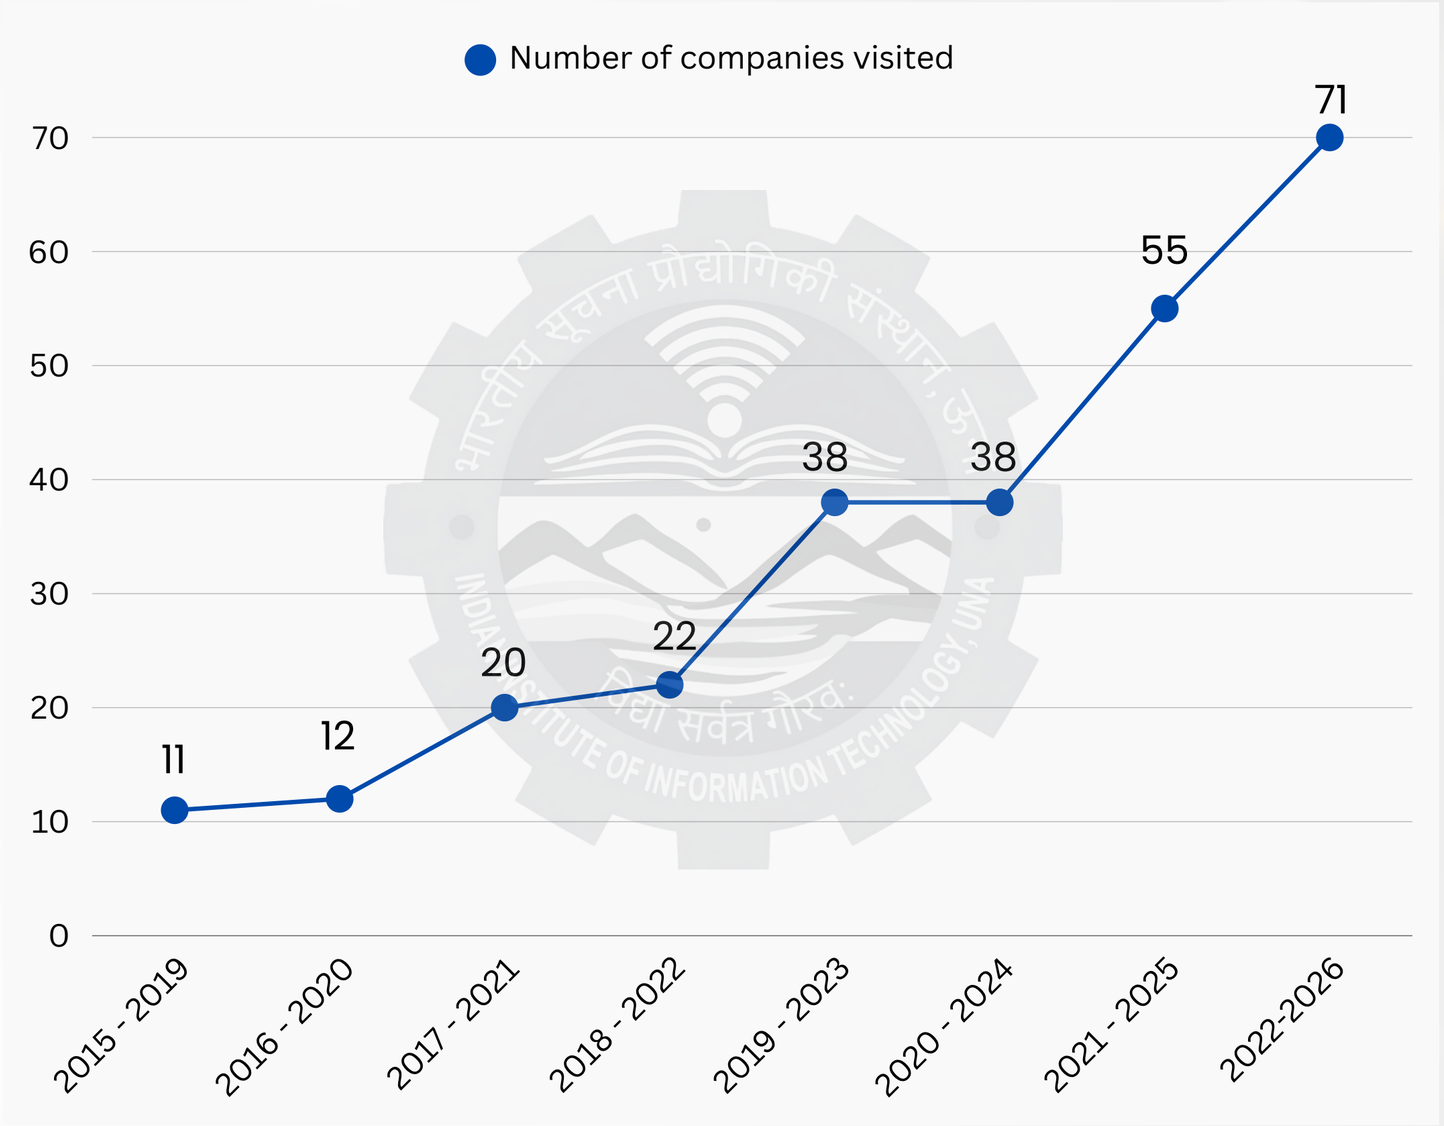

Enjoy the scenic beauty of Himachal Pradesh, with nearby destinations such as Dharamshala, McLeod Ganj, Kangra, Chintpurni Devi Temple, Naina Devi, and Pragpur (India's first Heritage Village).

We also facilitate **virtual recruitment drives** through dedicated interview and assessment rooms equipped with comprehensive CCTV surveillance.

PLACEMENT

STATISTICS AY 2025-26

PLACEMENT **PROCEDURE**

1. The Career Development Cell, IIIT Una, invites organizations to participate in campus placements and sends them the Job Notification Form (JNF).

2. Details about the organization, along with the job description, are provided to all eligible students, who are requested to apply.

3. The list of students who have applied for the role is made available to the organization along with their resumes.

4. Organizations conduct assessments or interviews, either on campus or online, on the allotted days as per the recruitment process.

5. The organization is expected to furnish the list of selected candidates within the stipulated deadline.

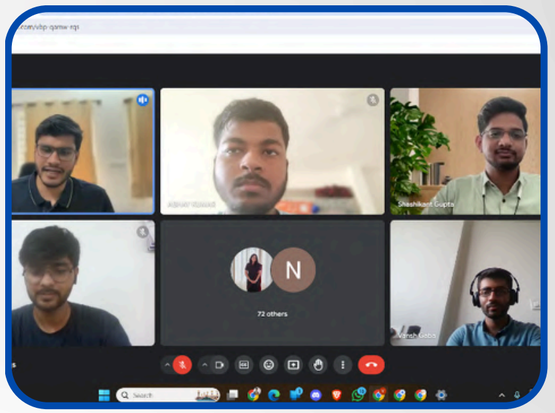

6. The Career Development Cell, IIIT Una, also coordinates the signing of offer letters by selected students to ensure that they join the organization as soon as possible.
