In case the student scores less than 30% in the End-semester examination he/she will be awarded an 'I' grade. For the courses combined with lab component, the minimum 30% score should

be attained in End-semester theory examination.

13.4 The students shall be placed in any of the bands with letter grades: 'S', 'A', 'B', 'C', 'D', 'E' and 'I' with the credit points of '10', '9', '8', '7', '6', '5', and '0', respectively.

13.5 The cut-off mark for completion of a course shall be calculated as $\frac{\bar{X}}{2}$, where $\bar{X}$ is the mean of the class. Students scoring marks above the cut-off mark shall be appropriately placed in top six bands, typically 10, 15, 25, 25, 15, 10 percentages, respectively. Students scoring less than cut-off mark shall be placed in lower most band ('I').

13.7 For project work, the number of students getting the highest grade beyond the limits as per 13.5 will be decided by the PAC.

13.8 The grading structure adopted by the subject faculty member is subject to the scrutiny of the PAC and subsequently the Senate.

13.9 The norms for the award of the letter grade in Absolute Grading are as follows:

Letter	**S**	**A**	**B**	**C**	**D**	**E**	**I**
Marks	≥85	75-84	65-74	55-64	45-54	35-44	≤34

Note: Scoring 30% or more in the end exam is mandatory for awarding above Grades.

13.10 Any issues related to grading will be decided by the Dean (Academic) in consultation with the Chairperson of the Senate.

13.11 The Performance Analysis Committee (PAC) shall meet within seven days after the completion of all examinations in a semester. The committee shall analyze the relative cumulative performance of the students in all assessments of a course and finalize the mark range for the letter grades of the course.

13.12 Before the commencement of every semester (except First semester), the students with grades 'ABS', 'I' will appear for Supplementary Examination.

13.13 The students with 'L' grade are required to complete the attendance criteria by attending the required number of classes before the course instructor during the semester breaks, provided that the course is offered in semester breaks, and get the attendance completion certificate for attending the supplementary exam.

13.14 The students with 'R' grade are required to reregister for the course in the next academic year and complete the course as per the academic rules of that batch.

13.15 The students with Malpractice case in exams may be awarded with 'M' grade.

13.16 Conduct of Supplementary Examination

Students with 'I', 'L', 'M' and 'ABS' grades will register for supplementary examination. Supplementary exam will be conducted a week prior to the

registration of any semester. Appropriate grade will be awarded, considering the earlier continuous assessments and the grade ranges. The same faculty member who taught the course shall be conducting the assessment and student shall be awarded a suitable grade (ranging from 'S' to 'I'), considering all the previous assessments and the grade ranges.

13.17 The definition of all the grades is as follows:

Letter Grade	Grade Point	Description of Performance
S	10	Outstanding
A	9	Excellent
B	8	Very Good

14.2 The end semester evaluated answer script may be seen by the students within the specified duration, preferably within two weeks after the re-opening of the next semester and got them re-totaled by the faculty member concerned if required. This may or may not change the grades.

14.3 If revaluation of end-semester answer script is required on genuine reasons, it will be admitted by the HOD/ Director of the institute.

14.4 However, if there is any grievance in the re-evaluation of an assessment task, which is not settled by the faculty-in-charge of the course/ HoD, the Dean (Academic) after verifying whether the grievance is genuine can recommend to the Chairperson of the Senate for appropriate remedial measures.

$$SGPA = \frac{\sum_1^n C_i \times GP_i}{\sum_1^n C_i}$$

where, *n* is the number of courses in that semester.

16.3 The Cumulative Grade Point Average (CGPA) will be calculated for every semester as follows:

$$CGPA = \frac{\sum_1^N C_i \times GP_i}{\sum_1^N C_i}$$

where (C_i) are the credits and (GP_i) are the grade points obtained by the student in all the N courses up to this semester.
